WHY CGI?

The Dedicated Place for Legal Ops Training, Collaboration, and Connections

As the leading organization dedicated to transforming the business and practice of law, CLOC's flagship annual event attracts professionals across the entire legal ecosystem focused on legal operations, technology, and innovation. This is the industry's leading event solely dedicated to legal ops training, collaboration, and connections.

With over 2,500 participants serving in in-house corporate legal departments and other legal professions, sponsors gain direct exposure and access to both the influencers and decision makers. There's no one size fits all, so we challenged ourselves to think outside the box and develop an event that serves a broader scope of goals.

In 2023, we're combining Institute favorites with new engagement features and learning formats to connect people across the industry in meaningful ways. By expanding our program, we've incorporated new and memorable ways for sponsors to leverage our program to meet their unique business objectives.

**Meeting Rooms
SOLD OUT**

HOW IT WORKS

- All CLOC event sponsorships are booked on a first-come, first-served basis. Due to high demand, CLOC does not hold opportunities or provide early enrollment.
- Sponsorship enrollment officially opens **Tuesday, November 8 at 11:00 am ET and will be available on the sponsor enrollment page**. Please bookmark this page for November 8th as the Application Button will be located here and available at 11:00 am EST.
- **New this year, sponsor-level recognition** (Diamond, Gold, Silver, etc.) will be based on the sponsorship package purchased as well as à la carte items. If you've purchased Silver and your overall spend on sponsorship, branding and engagement is equal to Gold or another level – you will be recognized in the higher tier in sponsor recognition by CLOC.
- All opportunities are listed in order of the Sponsorship Prospectus to help with the ease of selection during the application process. As items become sold out, they will no longer be listed on the enrollment form.
- During the enrollment process, sponsors can agree to the [Sponsor Agreement](#) and finalize the opportunity. In the event a sponsor needs to process the agreement for signature, sponsors can select that. CLOC will send an agreement within 48 hours and sponsors will have 72 hours of receipt to respond with a signature or next steps. Any agreements not responded to within the required timeframe will be released and made available for sale.
- Sponsors are only permitted to purchase one package and limited quantities of a la carte items within a specific category/type. i.e. – Meeting space will only be issued in a max of one full day.
- Please remember, all opportunities are limited and granted on a first-come, first-served basis.

Let's chat!

If you have questions, thoughts or ideas, I'd love to speak with you. Reach out to me at aleshia.ward@cloc.org.
